

FLIGHT TRAINING ACADEMY

INTERNATIONAL STUDENT PROGRAM

MEETING THE NEEDS OF OUR STUDENTS

Training to airline standards for the lowest possible cost and in the shortest amount of time are of primary importance to you. Daedalus Aviation's syllabus is custom tailored to meet these objectives. Daedalus offers a full-time program designed for the serious student; pilot training is conducted at least five days per week to expedite your path to the airlines. Using the latest technologies, and reproducing the effective structure of airline flight training departments, our integrated method of training and state-of-the-art facilities ensures you will train faster, to the absolute highest standards, at the lowest possible cost.

WHY DAEDALUS AVIATION?

- ❑ **ACCELERATED FLIGHT TRAINING PROGRAM** - GO FROM NO TIME TO RECEIVING YOUR COMMERCIAL PILOT CERTIFICATE WITH MULTI-ENGINE AND INSTRUMENT RATINGS IN AS LITTLE AS 16 WEEKS!!
